Your child created a “flat friend” in KIDSCOR this weekend. Encourage your child to take his or her “flat friend” around town this week. Travel with it to the grocery store, preschool or day care, the park or a friend's house. Take pictures of your child and his or her “flat friend.” Consider creating a mini scrapbook or photo album of those pictures for your child to enjoy. On each page write, “Jesus loves (your child’s name) and his/her “Flat Friend!”

Please be a friend in your child’s classroom this summer and come help him or her “Grow with God!” Watch for details on how to be part of the excitement!

## Know It

Read the scripture to your child each day!

# Let us love one another.

## 1 John 4:7a

For the next four weeks, our children will be learning about friends in the Bible. We will be exploring what makes a good friend and how we can each be one! We will also be celebrating that Jesus is our friend!

Today we learned about Andrew and Jesus. Andrew and one of his friends saw Jesus and asked where He was staying. Jesus invited them to come with Him. They all spent the day together! Andrew then went and found his brother Peter and told him they had found the Messiah. Andrew took Peter back with him to see Jesus.

You can read this story to your child from John 1:35-42 or from a children's story Bible such as The Beginner's Bible.

### **Mealtime Moment:**

**Ask each family member the following questions:**

*"How did you spend time with a friend today?"*

*How did you spend time with your friend, Jesus, today?"*

# Family Fun!

As a family, enjoy spending time with friends this week! Turn off the television and computer and go play basketball or Frisbee with your

neighbors! Invite friends over for a "pizza picnic." Enjoy a neighborhood walk with others. Ask another family to join you in serving someone in need. Celebrate friendship with people of all ages, sizes, colors and backgrounds. Give thanks for Jesus, who offers friendship to everyone and teaches us how to be friends with one another.
