Ask your family to go on a “Kindness Hunt” this week. Search for ways to be kind to one another. Surprise others with kind words and actions. Watch for ways each person is being kind. At the end of the week, share some of your stories about the kindnesses you discovered. Celebrate kindness and give thanks to God for being kind to us!

**GOD WANTS US TO BE
 KIND FRIENDS**

May 10th

Know It

Read the scripture to
your child each day!

**Let us love
one another.**

1 John 4:7a

For the next two weeks, our children will be learning about friends in the Bible. We will be exploring what makes a good friend and how we can each be one! We will also be celebrating that Jesus is our friend.

Naomi's husband and sons had died, so she decided to go back home to Israel. Her daughter-in-law, Ruth went with Naomi because she loved her. Ruth said, "Wherever you are going, I will go, too." When they arrived, Ruth gathered leftover grain from the fields so they could have food. One day, Boaz, the owner of the land, saw Ruth and wanted to help her, so he began leaving extra grain for Ruth to gather. He fell in love with Ruth, married her, and they had a baby boy. Naomi had a brand- new family.

You can read this story to your child a few verses at a time from Ruth 1-4 or from a children's story Bible such as The Beginner's Bible.

Mealtime Moment:

Ask each family member the following questions:

Did you know that family members can be friends with one another?

How are you a kind friend to those in your family?

Grow It

**Family
Fun!**

Ruth, Naomi, and Boaz were all kind to one another. They each worked to help one another. As a family, walk through your home and around your yard. Look for work that needs to be done. Does one person usually do most of the cleaning? How can you be kind and work together? Ask others how you can help. God wants us to be kind to our friends and family.

Also, please remember to be a kind friend to your child! Please bring your summer schedule and sign up to help your child grow and bloom in God's garden! Your presence will make a positive difference in your child's life and the kingdom of God for all of eternity.
