There are a lot of "Sauls" in the world today. They are people who do things that are not Christian and who act unkind to people who show their faith.

You may have "Sauls" in your life who laugh or tease when you talk about your relationship with Jesus. Don't be discouraged! The race Jesus has called us to is not always going to be an easy one, but it is a race that will bless others as we bring them along with us!

Draw a grouchy "Saul" face and then a face that you think would look like a "Paul" after Jesus had entered his life!

Grow It

Family Fun!

This week's family activity is going to be a drama. The drama takes two people to act out each scene.

One person is going to be "Saul", showing how nasty and mean Saul was to the Christians. This person can make grouchy faces, growl and yell loud. They are not acting nice at all!

But remember that Saul had a change of heart. He met Ananias and heard about Jesus, regained his sight and became a believer.

Our second actor is going to be Ananias, telling Saul that "Jesus loves him" and one special thing about Jesus.

After Ananias tells Saul about Jesus, he changes his name to Paul, becomes a nice person and begins to tell others good things about Jesus.

End your drama with Saul, who is now Paul, telling everyone something he / she loves about Jesus.

Take turns so everyone who wants to gets a chance to be Saul and Ananias. Work hard to think of new and creative things to tell about how great Jesus is!
